To

H N. Pallegar, Esq , M A , LL B.,
Secretary to Government,
Revenue Department, Bangalore.

Sir,

Subject - Staff required for the Special Land Acquisition Officer attached to the Trust Board.

Adverting to G.O No L. 13469-73/M1 /11-46-3 dated the 5th April 1947 sanctioning a Separate Land Acquisition Officer for the City Improvement Trust Board, Bangalore, and to further G.O.No K 4639/C B. 3-46-15 dated 26-5-47 placing Mr. M.A S Rajan, Special Land Acquisition Officer, Bangalore, in additional charge of the land acquisition work in the Trust Board, I have the honour to state that the Land Acquisition Officer has submitted certain proposals in his letter No. 30/46-47 dated 22-5-47 (copy enclosed) with a request that sanction of Government may kindly be obtained thereto

2. Since Mr Rajan is placed in charge of the land acquisition work in the Trust Board in addition to his own duties in the Bangalore District, he says that the staff now working under him is just sufficient to attend to the work that is already on hand and that no portion of the staff can be spared for work connected with the Trust Board as the acquisition work in the latter office involves a very large extent of lands and properties to be acquired and consequently a huge number of cases to be dealt with. The cost of acquisition itself comes to several lakhs of rupees.

After careful consideration of the question, he says that the strength of the staff should be in proportion to the work devolving on the office The basic staff proposed by him is as follows -

1. One Head Clerk on Rs.60/- in grade Rs.60-4-80 p.m
2 Two Clerks on Rs 45/- each p m
3. One Revenue Inspector on Rs 50/- + 10/- (D A) + 15 C.A. p.m
4. One Surveyor on Rs 50/- + Rs 15/- F T A.
5. Six Peons for the office and one for each of the Revenue Inspector and Surveyor - all on Rs 11/- p.m each.

In addition, 2 clerks on Rs 30/- each and one Revenue Inspector on Rs 50/- + Rs 15/- C A is proposed to be appointed for every 500 cases handled by the office He has further proposed to have a contingency of Rs 100/- per year for meeting the sundry office contingent expenses and a further sum of Rs 100/- for purchase of equpment such as screens, name-boards, call bells, seals etc. He also wants to have a Type-writer for his office and a few articles of furniture for him and his staff

3 Considering the importance and the volume of work to be handled by the Land Acquisition Officer and his staff, I recommend that for the present, the following staff may be immediately sanctioned

1. One Head Clerk on Rs 60/- in grade Rs 60-4-80
2 Two Clerks on Rs 45/- each p.m. (One of them would be a Typist Clerk)
3. One Revenue Inspector on Rs 50/- + Rs.10/- Duty Al. + Rs 15/- C A p m.
4. One Surveyor on Rs 50/- + Rs+15/- F T A p m.
5 Six Peons on Rs.11/- each

The question of appointing additional Clerks and Revenue Inspectors proposed by the Land Acquisition Officer may be considered later As for the selection of the staff,

I may be given a free hand to select very capable and experienced officials from the Revenue Department and the Revenue Commissioner requested to spare the services of such of the officials as may be proposed as really very capable and experienced officials have to be drafted for this work which involves very heavy responsibility in view of the several thousands of acres of lands to be acquired and the huge cost of acquisition involved

4 Sanction to the purchase of a Typewriter may also be accorded As for Contingency and other things asked for by the Land Acquisition Officer, no separate provision is necessary as his requirements could be met out of the Contingencies of this office as the Land Acquisition Office forms part and parcel of this office The furniture required by the Land Acquisition Officer can also be met out of the present stock in this office

5. I request that in these circumstances, sanction of Government may kindly be obtained very early to my proposals contained in paras 3 and 4 supra as the acquisition work in respect of various properties connected with the schemes has to be started expeditiously.

6 The resolution of the Board in this behalf will be obtained and forwarded in due course, if felt necessary. The proposals however may be sanctioned as an urgent measure

Letter No. 30/46-47 dated 22-5-47 from the Special Land Acquisition Officer, Bangalore, to the Chairman, C I. Trust Board, Bangalore.

Subject - Staff for the Special Land Acquisition Office, C I Trust Board, Bangalore

---

Could you please refer to G.O No.L. 13469-73/Ml. 111-46-3 dated 5-4-47 sanctioning a separate Land Acquisition Officer, for the C I Trust Board, Bangalore, and further G.O No. 4639/C B 3-46-15 dated 26-5-47 placing me in additional charge of that post?

The Government Orders are silent re. the staff to be employed for the office and so, I am making the following proposals for the staff and other requirements of the new office with a request that early sanction of Government may kindly be obtained thereto.

Out of the Land Acquisition work to be done x on behalf of the Trust Board that which relates to the Industrial Suburb has already been allotted to my original office Though this work has legitimately to go to the new office created by Government now, I feel, in the interest of continuity of work, that it is not desirable to split up the work of my office till such time as a separate Officer is posted whole time to the Trust Board The staff now working under me is just sufficient to attend to the work that is already in my hands So, the proposals now made will be wholly for such acquisition work as may in future be allotted to the Special Land Acquisition Officer, Bangalore C I Trust Board

From the discussions I have had with you, I have gathered that the acquisition work of the Board involves a huge number of cases which may be even more than 2,000 The nature of the work is such that in the large number of cases, awards will have to be passed with the utmost speed Moreover, the preliminary estimates of the cost of the acquisition themselves run to several lakhs of rupees, and so, a great deal of responsibility will have to be shouldered by the staff of the office For this reason, the establishment of the office will have to be appointed on a liberal scale and should at the same time be quite experienced On a careful consideration of the question from all aspects, I feel that the staff should be organised so as to be proportional to the work devolving on the office Hence, my proposals are as follows -

The office will have a basic staff consisting of

1 One Head Clerk on Rs 60/- in grade Rs 60-4-80
2 Two Clerks on Rs 45/- each p m
3 One Revenue Inspector on Rs 50/- plus Duty Allowance Rs 10/- and C A Rs 15/-

3. One Surveyor on Rs 50/- plys F T A Rs 15/- p.m
4. Six peons for the office and one each for the Revenue Inspector and the Surveyor, all on Rs.11/- p m each.

In addition, two Clerks on Rs 30/- each and one Revenue Inspector on Rs 50/- plus C A Rs 15/- to be appointed for every 500 cases handled by the office.

The salaries of the two Clerks and the duty allowance of the Revenue Inspector of the basic staff have been provided as above, so that able and really senior and experienced officials may be recruited for the posts. The salary provided for the Surveyor is on a par with that of the Surveyor attached to Bangalore City Municipality

Apart from the staff, the office should be provided with a contingency of Rs.100/- per year Another sum of Rs 100/- may be sanctioned for gathering the necessary equipment like screens, name-boards, waste paper baskets, call bell, seals etc Arrangements should also be made for the purchase of a Typewriter for the office.

The following items of furniture will be necessary for the staff in the first instance.

1. One Officer's table.
2. Eight tables and ten chairs
3 Four Stools.
4. Two benches.
5. One Cabinet.
6 Two pigeon-holes or small almirahs
7. Two racks for keeping forms and registers.

I request the favour of early sanction of the above proposals
